

Rooms with Disability Features

Bay View Resort: 2 BR OF F Condo's on floors 2-5 have roll in showers and extended doorways for wheelchair access. These units are booked by room type.

Breakers Resort: N-OV Ac 2D have support bars in the bathroom. These units are booked by room type.

Caribbean Resort: OF STE HCP have support bars in the bathroom. These units are booked by room type. Shower chairs are available upon request.

Compass Cove Resort: OF KG HC (floors 4+5) and OV King HC (floors 26) have support bars in the bathroom. These units are booked by room type.

Grande Cayman Resort: H/C K STE has support bars in bathroom. The suite on the 5th floor has a roll-in shower. These units are booked by room type, however the suite on the 5th floor is only by request and cannot be guaranteed. Avoid North Tower and Oceanfront Tower rooms because of inevitable staircase.

Litchfield, Paradise Resort, North Beach Plantation, and The Strand do not have units with disability features. Most doorways can accommodate a standard size wheelchair.
